[with steve hogarth from marillion on co-lead vocals.]

(the beatles - from the album "white album")

She's not a girl who misses much

Do do do do do do do do

She's well acquainted with the touch of the velvet hand

Like a lizard on a window pane.

The man in the crowd with the multicoloured mirrors

On his hobnail boots

Lying with his eyes while his hands are busy

Working overtime

A soap impression of his wife which he ate

And donated to the national trust.

I need a fix 'cause I'm going down

Down to the bits that I left uptown

I need a fix cause I'm going down

Mother superior jump the gun

Mother superior jump the gun

Mother superior jump the gun

Mother superior jump the gun

Mother superior jump the gun

Mother superior jump the gun

Happiness is a warm gun

Happiness is a warm gun

When I hold you in my arms

And I feel my finger on your trigger

I know nobody can do me no harm

Because happiness is a warm gun. yes it is.

Because happiness is a warm gun. yes it is.

Because happiness is a warm gun. yes it is.

Oh, don't you know that

Happiness is a warm gun.
