

# Dream Theater, The Enemy Inside

Over and over again  
I relive the moment  
I'm bearing a burden within  
Open wounds hidden under my skin

The pain is real  
As a cut that bleeds  
The face I see  
Every time I try to sleep  
Staring at me crying

I'm running from the enemy inside  
The enemy inside  
Looking for the life I left behind  
The life I left behind  
These suffocating memories  
Are etched upon my mind  
And I can't escape from the enemy inside

I sever myself from the world  
I shut down completely  
Alone in my own living hell  
Overcome with irrational fear

Under the weight of the world on my chest  
If I fall and break as I try to catch my breath  
Tell me I'm not dying

I'm running from the enemy inside  
The enemy inside  
Looking for the life I left behind  
The life I left behind  
These suffocating memories  
Are etched upon my mind  
And I can't escape from the enemy inside

I'm a burden, I'm a travesty  
I'm a prisoner of regret  
Dream of flashbacks and of violent screams  
I am hanging on the edge

Disaster lurks around the bend  
Paradise comes to an end  
And no magic pill  
Can bring it back again

I'm running from the enemy inside  
Looking for the life I left behind  
These suffocating memories  
Are etched upon my mind  
And I can't escape from the enemy inside
