

# Dream Theater, The Prisoner

I'm on the run, I'll kill to eat  
Starving now, feeling dead on my feet  
Going all the way, I'm nature's beast  
Do what I want, I do as I please

Run, you've gotta fight, to breathe, it's tough  
Now you see me, now you don't  
Break the walls, I'm coming out

I'm not a prisoner, I'm a free man  
And my blood is my own now  
Don't care where the past was  
I know where I'm going... out

If you kill me, it's self defence  
If I kill you, then I call it vengeance  
Spit in your eye, I will defy  
You'll be afraid when I call out your name

Run, you've gotta fight, to breathe, it's tough  
Now you see me, now you don't  
Break the walls, I'm coming out

I'm not a prisoner, I'm a free man  
And my blood is my own now  
Don't care where the past was  
I know where I'm going

I'm not a number, I'm a free man  
I'll live my life how I want to  
You'd better scratch me  
From your black book  
'Cause I'll run rings around you
