Dream Theater, The Prisoner

I'm on the run, I'll kill to eat Starving now, feeling dead on my feet Going all the way, I'm nature's beast Do what I want, I do as I please

Run, you've gotta fight, to breathe, it's tough Now you see me, now you don't Break the walls, I'm coming out

I'm not a prisoner, I'm a free man And my blood is my own now Don't care where the past was I know where I'm going... out

If you kill me, it's self defence
If I kill you, then I call it vengeance
Spit in your eye, I will defy
You'll be afraid when I call out your name

Run, you've gotta fight, to breathe, it's tough Now you see me, now you don't Break the walls, I'm coming out

I'm not a prisoner, I'm a free man And my blood is my own now Don't care where the past was I know where I'm going

I'm not a number, I'm a free man I'll live my life how I want to You'd better scratch me From your black book 'Cause I'll run rings around you
