

DREAMCAR, Kill For Candy

I didn't leave a thing behind
But you can't say I didn't try

I didn't take a thing with me
But please don't say you're left displeased

Miss, you misunderstand me
Me, I kill for candy

I'd left before you said goodbye
What's left to say beyond a lie?

What's on our tongues Is less discreet
Before it dissolves
It's oh so sweet

Miss, you misunderstand me
Me, I kill for candy

Let it dissolves on your tongue
Let me dissolve on your tongue

Miss, you misunderstand me
Me, I kill for candy
