Drew Seeley, Dance With Me

Follow me into my world
Let your worries fade with every
step you take
Baby whatcha' waiting for
Let the tango take control
Feel the music inside your soul (Oh)
My hand is out, just grab a hold

Watch time fade away My arms will keep you safe It's just you and me Dancing in this dream

Whatever you do, don't wake me up The feeling's real won't let it stop, no

CHORUS

Don't be afraid, take my hand Forget the world Will you dance, dance with me Pudemos bailar eternamente Trust in me, take a chance Feel the Tango When you dance, dance with me Podemos bailar eternamente

Now I have you next to me Everything is how it should be Baby, don't fight the feeling We're floating on the clouds If I could, I'd never come back down Baby just keep on groovin'

As time fades away

My arms will keep you safe It's just you and me Dancing in this dream

WHatever you do, don't wake me up The feeling's real, won't let it stop, no

CHORUS

Don't be afraid, take my hand Forget the world Will you dance, dance with me Podemos bailar eternamente Trust in me, take a chance Feel the Tango When you dance, dance with me Podemos bailar eternamente

Dance with me
(I'm dancing with you)
For this moment in time
(My dreams have come true)
My darling just dance with me
If only one night

CHORUS Don't be afraid, take my hand Forget the world Will you dance, dance with me Podemos bailar eternamente Trust in me, take a chance Feel the Tango When you dance, dance with me Podemos bailar eternamente
