

Dropkick Murphys, Forever

(Never take your loved one for granted:
They could be gone tomorrow)

All of my dreams seem to fall by the side
Like the discarded thought or the day's fading light
But I know that if I could just see you tonight
Forever

At times we may fall, like we all tend to do
But I'll reach out and find that I've run into you
Your strength is the power
That carried me through
Forever

Your kindness for weakness I never mistook
I worried you often, yet you understood
That life is so fleeting, these troubles won't last
Forever
Inspired me truly you did from the start
To not be afraid and to follow my heart
There's a piece of you with me they can't tear apart
Forever

Forever I'll find you, forever we'll be
Forever your power and strength stays with me
