

Dropkick Murphys, Freedom

Freedom

Same old story, nothings changed.
Only the rules have been rearranged.
You treat the losers commodity.
Act to someone yourself by day to day

Whats going on?
Whats going on?
Freedom
Freedom
Freedom

Blinded by ex-cons ready made
Net to a heros own, nothing paid
Ex-murderers up in a tree
Lets start a drink called Anarchy

Chorus

Repeat Freedom til the end
