## Dropkick Murphys, Informer

Why'd you give him 18 years Leave a family drowning in tears Baby boy baby girl Now their lives a living hell

Some say it shouldn't be done But life on the dole ain't no fun Shouldnt have been done Youre an informer

You didn't have to name him to the law Just trying to stop from being poor Hopes the kids will pull through Without a dad coz of you

Some say it shouldn't be done But life on the dole ain't no fun Shouldnt have been done Youre an informer
