

DSDS, If You Don't Know Me By Now

Alle:

If you don't know me by now
You will never never never know me

Mark:

All the things
That we've been through

Julia:

You should understand me
Like I understand you

Thomas:

Now girl I know the difference
Between right and wrong

Lisa:

I ain't gonna do nothing
To break up our happy home

Max:

Don't get so excited
When I come home
A little late at night

Laura:

Cos we only act like children
When we argue fuss and fight

Alle:

If you don't know me by now
You will never never never know me
If you don't know me by now
You will never never never know me

Jonathan:

We've all got our
Own funny moods

Lauren:

I've got mine,
And you've got yours too

Mark:

Just trust in me like I trust in you

Lisa:

As long as we've been together
It should be so easy to do

Franziska:

Just get yourself together
Or we might as well say goodbye

Martin:

What good is a love affair
When you can't see eye to eye

Alle:

If you don't know me by now
You will never never never know me
If you don't know me by now
You will never never never know me
If you don't know me by now
You will never never never know me
