

# Dua Lipa, Be The One

I see the moon  
I see the moon  
I see the moon  
Oh when you're looking at the Sun

You're not a fool  
Not a fool  
Not a fool  
No you're not fooling anyone

Oh but when you're gone  
When you're gone  
When you're gone  
Oh baby, all the lights go out

Thinking now that maybe I was wrong  
I was wrong  
I was wrong  
Come back to me, baby, we can work this out

Oh baby come on, let me get to know you  
Just another chance so that I can show  
That I won't let you down, and run  
No I won't let you down, and run

Cos I could be the one  
I could be the one  
I could be the one  
I could be the one

I see in blue  
I see in blue  
I see in blue  
Oh and you see everything in red

There is nothing that I wouldn't do for you  
Do for you  
Do for you  
Oh cos you got inside my head

Oh but when you're gone  
When you're gone  
When you're gone  
Oh baby, all the lights go out

Thinking now that, maybe, I was wrong  
I was wrong  
I was wrong  
Come back to me, baby, we can work this out

Oh baby come on, let me get to know you  
Just another chance so that I can show  
That I won't let you down, and run  
No I won't let you down, and run

Cos I could be the one  
I could be the one  
I could be the one  
I could be the one

Be The One x28

Oh baby come on, let me get to know you  
Just another chance so that I can show

That I won't let you down, oh no  
No I won't let you down, oh no

Cos I could be the one  
I could be the one  
I could be the one  
I could be the one
