

Dua Lipa, Falling Forever

Dua Lipa prezentuje piosenkę "Falling Forever" z płyty "Radical Optimism" (premiera 3 maja 2024)

How long, how long

Are you good at
Holding on
I know the mind is quick to throw away the moment
Where this takes us, maybe I don't wanna know yet
'Cause for now you're, all I want
They say you got it
Then it's gone
I don't believe that every flame has to get colder
I hope the feelings that you give me carry over
'Til tomorrow
And beyond

How long, how long
Can it just keep getting better?
Can we keep falling forever?
How long, how long
Can we stay like this together?
Can we keep falling forever?

You could wake up
All alone
So tonight I'll give you something to remember
And eternity's impossible to measure
But it feels right
Where we are
I'm falling deep, deep in your arms baby
Baby, I'm yours to keep, keep me close
'Til tomorrow and beyond

How long, how long
Can it just keep getting better?
Can we keep falling forever?
How long, how long
Can we stay like this together?
Can we keep falling forever?

Hold on
I wanna know, can you ride through any storm
Can you ride from night till dawn
'Til tomorrow and beyond

How long, how long
Can it just keep getting better?
Can we keep falling forever?
How long, how long
Can we stay like this together?
Can we keep falling forever?
How long

Can it just keep getting better?
Can we keep falling forever?
Oh, ooh
How long
How long
How long
