

Dua Lipa, Fever (feat. Angele)

Before you come around
i was doing just fine
usually /3x
i don't pay no mind

No, when you come down
I was looking in your eyes
Sudently /3x
I can feel it inside

I got a fever... so can you check?
Hello my ...?...
Kiss my neck
And when you toiuch me baby
I turn round
I got a fever... so can you check?

[Angèle:]
(zwrotka w j. francuskim)

I got a fever... so can you check?
Hello my ...?...
Kiss my neck
And when you toiuch me baby
I turn round
I got a fever... so can you check?

[Angèle:]
(zwrotka w j. francuskim)

I got a fever... so can you check?
Hello my ...?...
Kiss my neck
And when you toiuch me baby
I turn round
I got a fever... so can you check?

Tell me what you wanna do right now
Tell me what you wanna do right now
Tell me what you wanna do right now
Coz i don't realyy wanna pull you down
Tell me what you wanna do right now
Tell me what you wanna do right now
Tell me what you wanna do right now
Coz i don't realyy wanna pull you down

[Angèle:]
