

Dua Lipa, Happy For You

Dua Lipa prezentuje piosenkę "Happy For You" z płyty "Radical Optimism" (premiera 3 maja 2024)

Late on a Tuesday, I saw your picture
You were so happy, I could just tell
She's really pretty, I think she's a model
Baby, together you look hot as hell

And I didn't even want to cry
Oh what is this feeling?
Couldn't believe it, had to ask myself why

I must've loved you more than I ever knew
Didn't know I could ever feel
'Cause I'm happy for you
Now I know everything was real
I'm not mad, I'm not hurt
You got everything you deserve
I must've loved you more than I ever knew
I'm happy for you

And looking back now, I hope you see it
Even the hard parts were all for the best
I see where you're at now, you picked up the pieces
And then you gave them to somebody else

And I didn't even want to cry
Oh what is this feeling?
Couldn't believe it, had to ask myself why

I must've loved you more than I ever knew
Didn't know I could ever feel
'Cause I'm happy for you
Now I know everything was real
I'm not mad, I'm not hurt
You got everything you deserve
I must've loved you more than I ever knew
I'm happy for you

You, you, you
I'm happy for you
You, you, you

Oh, I must've loved you more than I ever knew
Didn't know I could ever feel
'Cause I'm happy for you
Now I know everything was real
I'm not mad, I'm not hurt
You got everything you deserve
Oh, I must've loved you more than I ever knew
I'm happy for you
