

# Dua Lipa, Hotter Than Hell

He calls me the devil  
I make him wanna sin  
Ever time I knock  
He can't help but let me in  
Must be homesick for the real  
I'm the realest it gets  
You probably still adore me  
With my hands around your neck

Can you feel that warmth?  
As my kiss goes down  
You like, same sweat alcohol  
Where I'm coming from  
It's darker side of me that makes you feel so numb

Coz we're hot like hell  
Does it burn when I'm not there?  
When you've be yourself  
Am I the answer to your prayers  
I'm giving you that pleasure heaven  
And I'll give it to you

Hotter than hell /2x

You're my manna from heaven  
We all gotta get fed  
Can let me know I'm wanted  
Can let me in your head  
I'm not here to make you kneel  
But it's praise that I'll get  
You ain't gonna walk free boy  
Not finished with you yet, no!

Can you feel that warmth?  
As my kiss goes down  
You like, same sweat alcohol  
Where I'm coming from  
It's darker side of me that makes you feel so numb

Coz we're hot like hell  
Does it burn when I'm not there?  
When you've be yourself  
Am I the answer to your prayers  
I'm giving you that pleasure heaven  
And I'll give it to you

Hotter than hell /2x

When we go down right there  
You make me feel right there  
When you lay me down right there  
Coz you're looking so right there  
Baby, you should touch me right there  
You can take me right there  
We can make it  
Hot like hell  
Does it burn when I'm not there?  
When you're by yourself  
Am I the answer to your prayers  
I'm giving you that pleasure heaven  
And I'll give it to you

Hotter than hell /4x  
And I'll give it to you

Hotter than hell
