

Dua Lipa, Illusion

Dua Lipa prezentuje piosenkę "Illusion" z płyty "Radical Optimism" (premiera 3 maja 2024 r.).

I been known to miss a red flag
I been known to put my lover on a pedestal
In the end, those things just don't last
And it's time I take my rose-coloured glasses off

I already know your type, tellin' me the things I like (Ah-ah)
Tryin' make me yours for life, takin' me for a ride (Ah-ah)
I already know your type, think you can play your cards right (Ah-ah)
Don't you know I could do this dance all night?

Ooh, what you doin'?
Don't know who you think that you're confusing
I be like, "Ooh, it's amusing"
You think I'm gonna fall for an illusion

Dance all night, dance all night
Dance all night, dance all night
I be like, "Ooh"
Dance all night, dance all night
Dance all night, dance, dance

Was a time when that shit might have worked
Was a time when I just threw a match and let it burn
Now I'm grown, I know what I deserve
I still like dancing with the lessons I already learned

I already know your type, tellin' me the things I like (Ah-ah)
Tryin' make me yours for life, takin' me for a ride (Ah-ah)
I already know your type, think you can play your cards right (Ah-ah)
Don't you know I could do this dance all night?

Ooh, what you doin'?
Don't know who you think that you're confusing
I be like, "Ooh, it's amusing"
You think I'm gonna fall for an illusion

Dance all night, dance all night
Dance all night, dance all night
I be like, "Ooh"
Dance all night, dance all night
Dance all night, dance, dance

Illusion, I really like the way you're moving
Yeah, I just wanna dance with the illusion
Yeah, I just wanna dance with
Yeah, I just wanna dance with
I could dance all night
(Ooh-oo-hoo-oo-hoo)

Ooh, what you doin'?
Don't know who you think that you're confusing
I be like, "Ooh, it's amusing"
You think I'm gonna fall for an illu—
Ooh-oo-hoo, what you doin'?
Don't know who you think that you're confusing
I be like, "Ooh, it's amusing"
You think I'm gonna fall for an illusion
