

Duck Sauce, Radio Stereo

I listen to the radio
It's better than the stereo

We listen to the radio,
It's better than the stereo
I listen to the radio, it's better than the stereo
We listen to the radio, radio stereo
Oooooh oh oh radio
Oooooh oh oh radio
Oooooh oh oh radio
Oooooh oh oh radio

I listen to the radio,
It's better than the stereo
We listen to the radio,
Off we go?
Oooooh oh oh radio
Oooooh oh oh radio
Oooooh oh oh radio
Oooooh oh oh radio

Radio, radio, radio, radio
