Dum Dum Girls, Rimbaud Eyes

You got Rimbaud eyes You got Rimbaud eyes You got

Truly, I have wept too much And the dawns are heartbreakers Every moon is atrocious Every sun bitter Sharp love (sharp love) Has swollen me up

You got Rimbaud eyes You got Rimbaud eyes You got Rimbaud eyes You got Rimbaud eyes You got

I can no more Bathed in your langours O waves, sail in your wake I can no more Bathed in your langours O waves, sail in your wake

You got Rimbaud eyes You got Rimbaud eyes You got Rimbaud eyes You got Rimbaud eyes You got

Now I, a boat Lost on the blue Am hurled by hurricanes Into bird-less ether Into forever blue Into you

You got Rimbaud eyes You got Rimbaud eyes You got Rimbaud eyes You got Rimbaud eyes You got
