

Dum Dums, Hole In Your Heart

Wanted an airbrushed blonde, with gorgeous teeth
Ended up with the girl at the end of the street, oh yeah
Making out in his car, til three in the morning
She took it as a sign that he wanted more, oh yeah

Oh, before you go all the way, you've got to ask yourself
Will you love him, when the moment's gone?
Before you go all the way, you've got to ask yourself
And see, yeh-yeah-yeh-yeah

If you ever fill the hole, hole in your heart
Hole in your heart, yeah
You'll regret the things you've done
Hole in your heart, hole in your heart, yeah

She was a girl he loved, he really loved
She's a stupid cow and he hates her now, oh yeah
Looking at his watch, waiting for his date
She's two weeks late, and he can't think straight, oh yeah

Oh, before you go all the way, you've got to ask yourself
Will you love him, when the moment's gone?
Before you go all the way, you've got to ask yourself
And see, yeh-yeah-yeh-yeah

If you ever fill the hole, hole in your heart
Hole in your heart, yeah
You'll regret the things you've done
Hole in your heart, hole in your heart, yeah (x2)

You've got to... save your heart for love
Save your heart for love
You've got to save your heart for love
Just save your heart for love
Yeh-yeah-yeh-yeah

If you ever fill the hole, hole in your heart
Hole in your heart, yeah
You'll regret the things you've done
Hole in your heart, hole in your heart, yeah
If you ever fill the hole, hole in your heart
Hole in your heart, yeah
You'll regret the things you've done
Hole in your heart, hole in your heart, yeah

Ahhhh ahh
