

Dune, Who Wants To Live Forever

There's no time for us,
There's no place for us,
What is this thing that builds our dreams, yet slips away from us.

"[Refrain:]"

Who wants to live forever,
Who wants to live forever
Who

There's no chance for us,
It's all decided for us,
This world has only one sweet moment set aside for us.

"[Refrain]"

But touch my tears with your lips,
Touch my world with your fingertips,
And we can have forever,
And we can love forever
Forever is our today.

"[Refrain]"

Who waits forever anyway?
