Duran Duran, Come Undone

Mine, immaculate dream made breath and skin I've been waiting for you Signed, with a home tattoo, Happy birthday to you was created for you

(can't ever keep from falling apart At the seams Can't I believe you're taking my heart To pieces)

Oh, it'll take a little time, Might take a little crime To come undone now

[PRECHORUS]
We'll try to stay blind
To the hope and fear outside
Hey child, stay wilder than the wind
And blow me in to cry

[CHORUS]
Who do you need, who do you love
When you come undone
[repeat]

[Verse 2]
Words, playing me deja vu
Like a radio tune I swear I've heard before
Chill, is it something real
Or the magic I'm feeding off your fingers

(Can't ever keep from falling apart At the seams Can I believe you're taking my heart To pieces)

Lost, in a snow filled sky, we'll make it alright To come undone now
