## Duran Duran, Hallucinating Elvis

(I was hallucinating, I was hallucinating)

I was hallucinating Elvis Hawaii to Las Vegas Special treatment all the way Hallucinating Elvis Missing 18 hours Losing oxygen to the brain

Lying on the floor There's a limit how much more I can take Rhinestone inside my shoe Because I'm turning into you

I was hallucinating, I was hallucinating, I was hallucinating...Elvis

FBI tapping the King's phone 74, he's trapped in his home Hidden cameras, 2-way mirror walls Walkie-talkie, kung-fu Then the president calls

I was hallucinating Elvis Hawaii to Las Vegas Special treatment all the way Hallucinating Elvis Missing 18 hours Losing oxygen to the brain

Whoever has to know Tune in to my show What you see ain't what you get I'm shooting movies and the TV set...

Elvis, Elvis, Elvis, Elvis

I was hallucinating Elvis Hawaii to Las Vegas Special treatment all the way Hallucinating Elvis Missing 18 hours Losing oxygen to the brain

I was hallucinating, I was hallucinating, I was hallucinating...Elvis Elvis, Elvis, Elvis, Elvis

Hallucinating, hallucinating, hallucinating
