

Duran Duran, Khanada

Didn't no one tell you money is a game playing so hard to get now
I don't even know your name

(Khanada I'll get by) Don't play with me I've nothing to lose
(Khanada I'll get by) Ain't no one's day is coming too soon
(Khanada I'll get by) I don't believe in dragons or blue
(Khanada I'll get by) I don't believe in nobody's rules

Heavy as the rain falls I might go outside just because you're with me
Doesn't mean you're not the same

(Khanada I'll get by) Don't play with me I've nothing to lose
(Khanada I'll get by) Ain't no one's day is coming too soon
(Khanada I'll get by) I don't believe in dragons or blue
(Khanada I'll get by) I don't believe in nobody's rules
