

# Duran Duran, Last Chance On The Stairway

I don't remember quite how I met you wasn't long ago  
I just get a picture of sun in your eyes the waves in your hair  
Maybe it's something said in a movie or you could've said last night  
It just took me out on a limb and I don't really know what I'm doing here

And sometimes I'm caught in a landslide and my beats so in time can you look at me  
I'm out of reach I'll talk if it feels right I've had my last chance on the stairway

Funny it's just like a scene out of Voltaire twisting out of sight  
Cause when all the curtains are pulled back we'll turn and see the circles we've traced  
Ain't no game (ooo-ooo) when you're playing with fire  
It doesn't seem right that we fight so the party runs all night

And sometimes I'm caught in a landslide and my beats so in time can you look at me  
I'm out of reach I'll talk if it feels right I'm so nervous to say tell me can't you see  
And if you want I'll fall off forever I can't say no more baby dance with me  
And please don't say leave it till later I've had my last chance on the stairway

Wonder why (wonder why ooo-ooo) what makes me rise so high  
Maybe it's something they put in your perfume or the look in your eyes  
It could be the atmosphere sinking ooo I don't even know what you're thinking  
I don't even know what you're drinking but it keeps this heaven alive

And sometimes I'm caught in a landslide and my beats so in time can you look at me  
I'm out of reach I'll talk if it feels right I'm so nervous to say tell me can't you see  
And if you want I'll fall off forever I can't say no more baby dance with me  
And please don't say leave it till later I've had my last chance on the stairway  
Last chance on the stairway, last chance on the stairway  
Last chance on the stairway, last chance on the stairway  
Last chance on the stairway, last chance on the stairway  
Last chance on the stairway
