

# Duran Duran, Lava Lamp

In the half light of the evening  
I can almost see you glow  
Can tell by the way you're moving  
Time may be right to let you know  
You got many coloured halo,  
The body of Venus, a babe rainbow  
And if I come any closer I might fall into your silhouette  
But the shape of things to come is constantly changing  
So let it, so let it, so let it flow

La la la la lava lamp  
La la la la lava lamp

Indigo, violet and blue  
Can we meet where the edges blur?  
Because I am coming at you  
Like a bug eye heading for the burn  
Truth is I can't stay away  
No, I wanna let you light my volcano  
And maybe it's just in my imagination  
But you never know  
Because the shape of things to come is constantly changing  
So let it, so let it, so let it flow

La la la la lava lamp (I'd love to turn you on)  
La la la la lava lamp (I'd love to turn you on)

La la la la lava lamp (I'd love to turn you on)  
La la la la lava lamp (I'd love to turn you on)

So let it, so let it, so let it...  
La la la la lava lamp (I'd love to turn you on)  
La la la la lava lamp (I'd love to turn you on)
