Duran Duran, Lava Lamp

In the half light of the evening I can almost see you glow Can tell by the way you're moving Time may be right to let you know You got many coloured halo, The body of Venus, a babe rainbow And if I come any closer I might fall into your silhouette But the shape of things to come is constantly changing So let it, so let it, so let it flow

La la la la lava lamp La la la la lava lamp

Indigo, violet and blue Can we meet where the edges blur? Because I am coming at you Like a bug eye heading for the burn Truth is I can't stay away No, I wanna let you light my volcano And maybe it's just in my imagination But you never know Because the shape of things to come is constantly changing So let it, so let it, so let it flow

La la la la lava lamp (I'd love to turn you on) La la la la lava lamp (I'd love to turn you on)

La la la la lava lamp (I'd love to turn you on) La la la la lava lamp (I'd love to turn you on)

So let it, so let it, so let it... La la la lava lamp (l'd love to turn you on) La la la lava lamp (l'd love to turn you on)
