

# Duran Duran, New Religion

I've been now sauntering  
Out and down the path sometime  
Come on, it takes me nowhere, which I knew  
Faces everywhere pulling grins and signs in things  
Telling me not there, man, it's no go  
Don't go there boy

I need a reason  
I can't think without one now  
Too much learning got to show  
Call it treason  
Maybe catch her, don't know how  
Too many things, too much to know

Bring my timing in, seagulls gather on the wind  
Lady screaming, lady leave me out  
'Cause sometimes people stare  
Coming down, electric chair  
And steaming crowds they gather and they shout

Don't know why this evil bothers me  
Take another chance boy, carry the fight,  
You can take him if you're fast  
So why is he trying to follow me?  
Didn't I say if you're holding on  
You'd be laughing at the last  
How many reasons do they need?  
I get along fine with them friends of mine  
But you have to make a choice  
I might just believe this time  
You're singing out of tune but the beat's in time  
And it's us who makes the noise

I'm talking for free, I can't stop myself,  
It's a new religion  
I've something to see, I can't help myself,  
It's a new religion

Okay, my reasoning might be clouded by the sun  
But someone sees the departmental lie  
You know this peacetime jabbing fist in stabbing knife  
Only get one look before you die

Don't know why this evil bothers me  
Take another chance boy, carry the fight,  
You can take him if you're fast  
So why is he trying to follow me?  
Didn't I say if you're holding on  
You'd be laughing at the last  
How many reasons do they need?  
I get along fine with them friends of mine  
But you have to make a choice  
I might just believe this time  
You're singing out of tune but the beat's in time  
And it's us who makes the noise

I'm talking for free, I can't stop myself,  
It's a new religion  
I've something to see, I can't help myself,  
It's a new religion

Gotta take pay the saints 'n sinners  
In regulation hats 'n scarves 'n things  
Walking in formation down the lane,

They carry their cross, make a church bell ring  
Army majors pull a mean cool truth,  
There lying in a swimming pool  
Searching for the undeniable truth that  
A man is just a fool

Don't know why this evil bothers me  
Take another chance boy, carry the fight,  
You can take him if you're fast  
So why is he trying to follow me?  
Didn't I say if you're holding on  
You'd be laughing at the last  
How many reasons do they need?  
I get along fine with them friends of mine  
But you have to make a choice  
I might just believe this time  
You're singing out of tune but the beat's in time  
And it's us who makes the noise

I'm talking for free, I can't stop myself,  
It's a new religion  
I've something to see, I can't help myself,  
It's a new religion
