

# Duran Duran, Shadows On Your Side

Shackled and raised for a shining crowd  
They want you to speak but the music is louder than  
All of their roar with the heat of the planet's core-but

[CHORUS]

The shadows are on your side  
As soon as the lights go down  
In the darkest place you can find  
You belong to the hands of the night

Promises made with a distant friend  
Truth should be known it can only bend  
To a tune of its own  
Hey you'll never hear that voice again  
Scandal in white on a tangled vine  
With everybody to say that you're having the  
Time of your life when your life is on the slide-but

[CHORUS]

Spinning a compass to choose your way  
You can run you can dive you can stand and you can soar  
Whichever way you can be sure-that

[CHORUS]

Shadows on your side  
The shadows are on your side
