red light wasn't warning when I first saw her body move I wasn't sure it was a jet stall.

I thought I had it all, now I am down and low Memories on the wall, I have to let it go...

I'm free like a flying demon, no more of them filthy lies Just free like a flying demon, this is the day of my life I'm free like a flying demon, no more of them filthy lies Just free like a flying demon, this is the day of my life Why can't you see into the future?

You're going to get hurt by someone who won't suit ya They call it your destiny

But I am pretty sure now

That one who's lonely can't get hurt / is getting stronger I thought I had it all, now I am down and low Memories on the wall, I have to let it go...
