

Eamon, I Don't Want You Back (Girl)

(Intro)

You know there are two sides to every story

(Verse 1)

See I don't know why you're crying like a bitch

Talking shit like a snitch

Why'd you write a song bout me?

If you really didn't care,

You wouldn't wanna share

Telling everybody just how you feel

(Chorus)

F**k what I did

It was your fault somehow

F**k all the presents

I threw all that shit out

F**k all the crying

It didn't meant jack

Well guess what!

Yo, F**k you right back

x2

(Verse 2)

You thought you could

really make me moan

I had better sex all alone

I had to listen to your friend

Now you want me to come back

you must be smokin' crack

I'm going elsewhere and thats a fact

F**k all those nights I moaned real loud out

F**k it, I faked it

Aren't you proud

F**k all those nights

you thought you broke my back

Well guess what!

Yo, your sex was wack

x2

Oh, oh

uh, huh

Yeah

x3

(Verse 3)

You question did I care?

Maybe I would have

If you would have gone on me

But now it's over

But I do admit I'm glad

I didn't catch your crabs

I can't sweat that cause I've got to go

{chours}

Oh, oh

uh, huh

Yeah

x3

(Outro)

You made me do this
