

# Earl Sweatshirt, Chum

Something sinister to it  
Pendulum swinging slow, a degenerate moving  
Through the city with criminal stealth, welcome to enemy turf  
Harder than immigrants work, golf is stitched into my shirt  
Get up off the pavement brush the dirt up off my psyche  
Psyche, psyche

It's probably been twelve years since my father left, left me fatherless  
And I just used to say I hate him in dishonest jest  
When honestly I miss this nigga, like when I was six  
And every time I got the chance to say it I would swallow it  
Sixteen, I'm hollow, intolerant, skipped shots  
I storm that whole bottle, I'll show you a role model  
I'm drunk pissy pissing on somebody front lawn  
Trying to figure out how and when the fuck I missed moderate  
Momma often was offering peace offerings  
Think, weeze cough, scoffing and he's off again  
Searching for a big brother, Tyler was that  
Plus he liked how I rap, the blunted mice in the trap  
Too Black for the White kids and too White for the Blacks  
From honor roll to cracking locks up off them bicycle racks  
I'm indecisive, I'm scatterbrained and I'm frightened it's evident  
And them eyes where he hiding all them icicles at

Something sinister to it  
Pendulum swinging slow, a degenerate moving  
Through the city with criminal stealth, welcome to enemy turf  
Harder than immigrants work, golf is stitched into my shirt  
Get up off the pavement brush the dirt up off my psyche  
Psyche, psyche

Time lapse, bars rhymin' heart's bottomless pit  
Was mobbin deep as 96 Havoc and Prodigy did  
We were the pottymouth posse crash the party and dip  
With all belongings then toss em out to the audience  
Nothing was fucking awesome, trying to make it from the bottom  
His sins feeling as hard as Vince Carter's knee cartilage is  
Supreme garment and weed gardeners garnishing spliffs  
With Keef particles and entering apartments with 'zine article  
Tolerance through boundaries, I know you happy now  
Craven and these Complex fuck niggas done track me down  
Just to be the guys that did it, like I like attention  
Not the type where niggas trying to get a raise at my expense  
Supposed to be grateful, right, like thanks so much you made my life  
Harder and the ties between my mom and I strained and tightened  
Even more than they were before all of this shit  
Been back a week and I already feel like calling it quits

Something sinister to it

Through the city with criminal stealth, welcome to enemy turf  
Harder than immigrants work, golf is stitched into my shirt  
Get up off the pavement brush the dirt up off my psyche
