Earth, Wind & Fire, Lets Groove

Let this groove, get you to move It's alright, alright Let this groove, set in your shoes Stand up, alright

Gonna tell you what you can do With my love, alright, Let you know girl you're looking good You're out of sight and alright

Move yourself and glide like a 747 Love yourself in the sky among the clouds in the heavens

Let this groove, light up your fuse, alright Let this groove set in your shoes Stand up, alright, Gotta let you know girl you're looking good You're out of sight, you're alright

Tell the DJ to play your favorite tune Then you know it's okay What you found is happiness, now Let this groove, get of mind to move, alright Let this groove, set in your shoes Stand up, alright

You will find peace of mind on the floor Take a little time, come and see, you and me Make a little sign, I'll be there after awhile If you want my love We can boogie on down, down, down, down

Let's groove tonight Share the spice of life Baby slice it right We're gonna groove tonight
