Easton Corbin, Lovin' You Is Fun

You got a cousin who's tellin' you somethin' that doesn't have nothin' To do with the love that we're in, baby I hear she's sayin' that game we're playin' should be complicated If you won't, I'll say it, I think she's crazy ?cause

Love don't have to be a bunch of drama A bunch of knock-out, drag-outs cryin' in the rain It's alright to keep it light now mama, don't you think We're having such a good time together, it's only just begun My heart's never smiled so hard, baby, loving you is fun

I'm walking around all over this town, ten feet off the ground So happy I found you, baby, I love it There's no self-help book on your shelf, you know too well They're selling you somethin' for nothin' ?cause

Love don't have to be a bunch of drama A bunch of knock-out, drag-outs cryin' in the rain It's alright to keep it light now mama, don't you think We're having such a good time together, it's only just begun My heart's never smiled so hard, baby, loving you is fun

Love don't have to be a bunch of drama A bunch of knock-out, drag-outs cryin' in the rain It's alright to keep it light now mama, don't you? think We're having such a good time together, it's only just begun My heart's never smiled so hard, baby, loving you is fun
