Echo And The Bunnymen, Seven Seas

Stab a sorry heart
With your favourite finger
Paint the whole world blue
And stop your tears from stinging
Hear the cavemen singing
Good news they're bringing

Seven seas Swimming them so well Glad to see My face among them Kissing the tortoise shell

A longing for Some fresher feeling Belonging Or just forever kneeling Where is the sense in stealing Without the grace to be it

Seven seas Swimming them so well Glad to see My face among them Kissing the tortoise shell

Burning my bridges
And smashing my mirrors
Turning to see if you're cowardly
Burning the witches with mother religious
You'll strike the matches and shower me
In water games
Washing the rocks below
Taught and tamed
In time with tear flow

Seven seas Swimming them so well Glad to see My face among them Kissing the tortoise shell

Seven seas Swimming them so well Glad to see My face among them Kissing the tortoise

Seven seas Swimming them so well Glad to see My face among them Kissing the tortoise shell
