

# Echo & The Bunnymen, Never Stop

Good God, you said  
Is that the only thing you care about  
Splitting up the money  
And share it out  
The cake's being eaten  
Straight through the mouth  
Poison  
Poised to come back in  
Season  
For all the ones who lack  
Reason

Measure by measure, drop by drop  
And pound for pound, we're taking stock  
Of all the treasure still unlocked  
The love you found must never stop

The king is dead  
And long live the people who aim above  
All the simple stuff never understood  
Like right from bad and wrong from good  
Deny  
That you were ever tempted by the  
Lie  
That there's an answer in the  
Sky

Measure by measure, drop by drop  
And pound for pound, we're taking stock  
Of all the treasure still unlocked  
The love you found must never stop

Oh, oh  
Oh, oh  
Oh, oh  
Oh, oh

Never stop  
Never stop  
Never stop  
Never stop  
Never stop  
Never stop  
Never stop  
Never stop  
Never stop  
Never stop

Measure by measure, drop by drop  
And pound for pound, we're taking stock  
Of all the treasure still unlocked  
The love you found must never

Measure by measure, drop by drop  
And pound for pound, we're taking stock  
Of all the treasure still unlocked  
The love you found must never stop

(Stop) Never stop  
(Stop stop) & Never stop (Stop)  
Never stop (Stop stop)  
Never stop (Stop stop stop)  
Never stop (Stop stop stop)  
Never stop
