

# Ed Sheeran, Boat

Came in through the embers  
Stayed out for the breeze  
I need to feel elements to remind me  
There's beauty when it's bleak

Stuck out long before lights down  
Why do I breathe? Oh, I know

The more that I love, the less that I feel  
The times that I jumped never were real  
They say that all scars will heal, but I know  
Maybe, I won't  
But the waves won't break my boat  
But the waves won't break my boat

Stones crash on the boardwalk  
The wind rush through the trees  
I'll keep my eyes peeled  
The memories always fall short  
Of what we could've been

Left out long before last call  
What do I need? Oh, I know

The more that I love, the less that I feel  
The times that I jumped never were real  
They say that all scars will heal, but I know  
Maybe, I won't  
But the waves won't break my boat  
But the waves won't break my boat

But the waves won't break my boat  
The waves won't break my boat

The more that I love, the less that I feel  
The times that I jumped never were real  
They say that all scars will heal, but I know  
Maybe, I won't  
And the waves won't break my boat
