

Ed Sheeran, Borderline

Utwór 'Borderline' z albumu 'Subtract' od Ed Sheeran (premiera 5 maja 2023r.)

Sadness always finds a man
Seeks it's way by, infecting everything
And every chapter has an end
But this is one I've learned to seek, hold on to them

And the black birds, they fly
Like I fell on the skyline

But I, I fear
Running from the light
Engulfed in darkness
Sharing my eyes
Wondering why I'm stuck on the borderline
Which way will I

'Cause I should take this, I'm a champ
But I don't even know how all of this began
And we are made to mourn and then
How can I wish for nothing when it's still the same?

But now I fear
Running from the light
Engulfed in darkness
Sharing my eyes
Wondering why I'm stuck on the borderline
Which way will I

Tears never run
There's no such way
We are so low
We're on the borderline
We're on the borderline

So I will pour another drink
I try to drown the pain, it's all too long away
I shut off the things I think
'Cause nothing good will ever come from me

But now I fear
Running from the light
Engulfed in darkness
Sharing my eyes
Wondering why I'm stuck on the borderline
Which way will I

Tears never run
There's no such way
We are so low
