

# Ed Sheeran & Elton John , Merry Christmas

Build the fire  
Gather around the tree  
Fill the glass  
And maybe come and sing with me

So kiss me under the mistletoe  
Pour some wine and toast on Santa Clouse  
I know there's been pain this year but it's time to let it go  
Next year you never know, but for now  
Merry Christmas

We'll dance in the kitchen while embers glow  
We've both known love, but this love that we got is the best of all  
I wish you could see you through my eyes then you would know  
My god you look beautiful right now  
Merry Christmas

The fire is raging on  
And we'll all sing along to the songs  
Just having so much fun  
While we're here can we all spare a thought for the ones who have gone  
Merry Christmas everyone

So just keep on kissing me under the mistletoe  
Pour some wine and toast on Santa Clouse  
I know there's been pain this year but it's time to let it go  
Next year you never know, but for now  
Merry Christmas

We'll dance in the kitchen while embers glow  
We've both known love, but this love that we got is the best of all  
I wish you could see you through my eyes then you would know  
My god you look beautiful right now  
Merry Christmas

I feel it when it comes  
Every year helping us carry on  
Filled up with so much love  
All our family and friends are together where we all belong  
Merry Christmas everyone

It's Christmas time for you and I  
We'll have a good night and a Merry Christmas  
/4x
