

# Ed Sheeran, One

Tell me that you turned down the man  
Who asked for your hand  
Cause you're waiting for me  
And I know, you're gonna be away a while  
But I've got no plans at all to leave  
And would you take away my hopes and dreams?  
Just stay with me

All my senses come to life  
While I'm stumbling home as drunk as I  
Have ever been and I'll never leave again  
Cause you are the only one  
And all my friends have gone to find  
Another place to let their hearts collide  
Just promise me, you'll always be a friend  
Cause you are the only one

Take my hand and my  
Heart and soul, I will  
Only have these eyes for you  
And you know, everything changes but  
We'll be strangers if, we see this through  
You could stay within these walls and bleed  
But just stay with me

All my senses come to life  
While I'm stumbling home as drunk as I  
Have ever been and I'll never leave again  
Cause you are the only one  
And all my friends have gone to find  
Another place to let their hearts collide  
Just promise me, you'll always be a friend  
Cause you are the only one

I'm stumbling out drunk, getting myself lost  
I am so gone, so tell me the way home  
I listen to sad songs, singing about love  
And where it goes wrong?

All my senses come to life  
While I'm stumbling home as drunk as I  
Have ever been and I'll never leave again  
Cause you are the only one  
And all my friends have gone to find  
Another place to let their hearts collide  
Just promise me, you'll always be a friend  
Cause you are the only one
