

# Ed Sheeran, South of the Border (feat. Camila Cabello)

she got the mm  
brown eyes  
caramel thighs  
long hair  
no wedding ring, hey  
I saw you looking form across the way  
and now I really wanna know your name

she got the mmm  
white dress  
but when she's wearin' less  
man, you know that she drives me crazy  
the mm, brown eyes, beautiful smile  
you know I love watching you do your thing

I love her hips  
curves, lips say the words  
te amo, mami, ah, te amo, mami  
i kiss her  
this love is like a dream

so join me in this bed that I am in  
push up on me and sweat, darling  
so I am gonna put my time in  
and won't stop until the angels sing  
jump in that water, be free  
come south of the border with me  
jump in that water, be free  
come south of the border with me

he got that mmm  
green eyes  
givin me signs  
that he really wants to know my name  
hey, I saw you lookin' form across the way  
and suddenly, I am glad I came, ay!  
ven para aca quiero bailar  
toma mi mano  
quiero sentir tu cuerpo en mi, estas temblando  
mmm, green eyes, taking your time  
now we know we'll never be the same

I love his hips  
cause he says the words  
te amo, mami, ah, te amo, mami  
don't wake up  
this love is like a dream

so join me in this bed that I am in  
push up on me and sweat, darling  
so I am gonna put my time in  
and won't stop until the angels sing  
jump in that water, be free  
come south of the border with me  
jump in that water, be free  
come south of the border with me

flawless diamonds  
in a green field near Buenos Aires  
Until he sun's rising  
we won't stop until the angels sing  
jump in that water, be free  
come south of the border with me  
jump in that water, be free

come south of the border with me

you never live 'til you risk your life  
you wanna shine  
you gotta get more ice  
am I your lover or I am just your voice?  
a little crazy, but I am just your type  
you want the lips and the curves  
need the whips and the furs  
and the diamonds I prefer  
and my closet his and hers  
you want the lil mamacita, margarita  
li think that Ed got a lil jungle fever  
you want more then?  
sound boring;  
legs up and tongue out, Michael Jordan  
go exploring something foreign  
but it up, a rain forest, it be pourin;  
kiss me like you need me, rub me like a genie  
pull up to my spotted Lamborghini  
cause you gotta see me  
never leave me  
you got a girl that could finally do it all  
drop a album  
drop a baby  
but I never drop the ball

so join me in this bed that I am in  
push up on me and sweat, darling  
so I am gonna put my time in  
and won't stop until the angels sing  
jump in that water, be free  
come south of the border with me  
jump in that water, be free  
come south of the border with me

come south of the border with me  
come south of the border with me  
come south of the border with me  
jump in that water, be free
