

Ed Sheeran, The Joker and the Queen (feat. Taylor Swift)

How was I to know?
It's a crazy thing
I showed you my hand
And you still let me win
And who was I to say
That this was meant to be?
The road that was broken
Brought us together
And I know you could fall for a thousand kings
And hearts that would give you a diamond ring
When I fold, you see the best in me
The joker and the queen
I was upside down
From the outside in
You came to the table
And you went all in
With a single word
And a gentle touch
You turned a moment
Into forever
And I know you could fall for a thousand kings
And hearts that could give you a diamond ring
When I fold, you see the best in me
The joker and the queen
And I know you could fall for a thousand kings
And hearts that would give you a diamond ring
When I folded, you saw the best in me
The joker and the queen
The joker and the queen
