Ed Sheeran, What Do I Know

Ain't got a soapbox I can stand upon
But god gave me a stage, a guitar and a song
My daddy told me, son don't you get involved
in politics, religions, other peoples' quarrels
I'll paint the picture let me set the scene,
I know when I have children, they will know what it means
And I'll pass on the things my family's given to me
Just love and understanding positivity

We could change this whole world with a piano Add a bass, some guitar, grab a beat and away we go I'm just a boy with a one man show No university no degree but lord knows Everybody's talking about exponential growth And the stock market crashing and their portfolios While I'll be sitting here with a song that I wrote Saying love could change the world in a moment But what do I know?

Love can change the world in a moment But what do I know? Love can change the world in a moment But what do I know?

The revolution's coming, it's a minute away I saw people marching in the streets today You know we are made up of love and hate But both of them are balanced on a razor blade

I'll paint the picture let me set the scene I know, I'm all for people following their dreams Just remember life is more than fitting in your jeans It's love and understanding positivity

We could change this whole world with a piano Add a bass, some guitar, grab a beat and away we go I'm just a boy with a one man show No university no degree but lord knows Everybody's talking about exponential growth And the stock market crashing and their portfolios While I'll be sitting here with a song that I wrote Saying love could change the world in a moment But what do I know?

Love can change the world in a moment But what do I know? Love can change the world in a moment

I'll paint the picture let me set the scene, You know the future's in the hands of you and me So let's all get together, we can all be free Spread love and understanding positivity

We could change this whole world with a piano Add a bass, some guitar, grab a beat and away we go I'm just a boy with a one man show No university no degree but lord knows Everybody's talking about exponential growth And the stock market crashing and their portfolios While I'll be sitting here with a song that I wrote Saying love could change the world in a moment But what do I know?

Love can change the world in a moment

But what do I know? Love can change the world in a moment But what do I know?
