

Edenbridge, Evermore

Earthborn child
Take me to places beguiled
You feast my eye on
So high-flown
And heavenly styled

(pre-chorus)
In all your splendour
You're the force
My vein of gold

(chorus)
Stay
Make my heart sway
And light my way
Flow on the drain of life
Try
And you'll espy
The one thereby
A kiss of eternity
Evermore

Stream my mind
Leaving the daydreams behind
Those pearly waters
A halo
A light for the blind

(pre-chorus)
(chorus)

"The one that stays, one that sways
I espy, a moonlit sky"

(chorus 1st part)
