Edenbrigde, Fly At Higher Game

look out for the squalls right in here and escape from the vanity fair don't dally away and relieve your feelings there whenever you see rocks ahead appearing just under your eyes find them all out you'll be staring in surprise [pre-chorus] so carry the world before one (when the sky) when the sky is the limit (there`s no limit, no end) and shape the course to new frontiers [chorus] i set my spirits free the world is not enough for me not for the glory of one day extolling to the skies so follow the fame i wanna fly at higher game sometimes your life is a galanty show and sometimes a halo of light when tilting at windmills has robbed you of your sight and without a shadow of doubt it's a balance, a high-wire act a leap in the dark what the artist may attract [pre-chorus] [chorus] [bridge] fairway to infinity this lucent inmost voice will call you away, you away [chorus]
