

Edwin Klift & Jabaman, Wishes (feat. Sztoss)

i could be the one for you
you can be the one for me
I'd turn the world upside down for you
Jabaman

i could be the one to
give good lovin' upon you
so hard to find the right
piece of mine
but me still go on
some wishes never come true
but every now and then some do
so hard to find the right piece od mine
but me still go on

I know so many before did run from the thing
but woman if you want we can run for the win
we coulda run the whole thing and
I'll make you live it up
and bounce and swing
so no negative vibe could burn through your skin
and I could never lie and say that
this nuh come from whitin
whenever you make me feel strong
like a king
so many songs I could sing about
taking you places
where no one's ever been
I would never hide these feelings
down in a bin

so don't worry girl
have no fear
don't worry girl
I'll be there
and no matter
what them say
don't' worry your head
worry your head
don't' worry girl anymore
and you me just can't ignore
so me go tell you don't worry
no fret , noh nah

i could be the one to
give good lovin' upon you
so hard to find the right
piece of mine
but me still go on
some wishes never come true
but every now and then some do
so hard to find the right piece of mine
but me still go on

[Sztoss:]
żaden nie ma tu podjazdu
don't warries girl, cuz we like you
two życzenia spełnię od razu
choć tak mało mamy dziś czasu
na wskazówki lecę, tik-tak
tak jak ty, tańcz, daję ci znam
easy signal
wszystko co chcesz, tylko spytaj
wszystko co chcesz byś tu była

nie martw się, nie
będę tam
obok ciebie będę stał
będę stał, będę stał
nieważna jest ich paplanina
nieważne, kiedy ciebie obok siebie mam
Sztoss, Jabaman

i could be the one to
give good lovin' upon you
so hard to find the right
piece of mine
but me still go on
some wishes never come true
but every now and then some do
so hard to find the right piece of mine
but me still go on
