

# Edwin Starr, S.O.S. (Stop Her On Sight)

Hey, hey, hey  
I'm sending out an S.O.S.  
Hey, hey, hey  
I'm sending out an S.O.S.

I'm sending out an S.O.S.  
Because I'm in so much distress  
So if you see my baby  
If you see my baby  
Stop her on sight

Hey, hey, hey  
I'm sending out an S.O.S.  
Hey, hey, hey  
I'm sending out an S.O.S.

I'm gonna tell the F.B.I.  
I'm likely to get myself a secret spy  
Because I lost my baby  
So if you see my baby  
Stop her on sight

You can tell her by the way she walks  
You can tell her by the way she talks  
You can tell her by the way she smiles  
I guarantee you it will drive you wild  
So if you see my baby  
If anybody sees my baby  
Stop her on sight

Hey, hey, hey  
I'm sending out an S.O.S.  
Hey, hey, hey  
I'm sending out an S.O.S.
