

# Edyta Bartosiewicz, You Cannot Reach Me

I said I love you so many times  
You cannot reach me  
I stayed in your house so many times  
You cannot reach me  
You gave me money, you bought me a car  
You cannot reach me  
You said that you will divorce your wife  
You cannot reach me

And like the wind, I'm changing my ways  
I'm not the one who stays on one place  
Oh you cannot reach me, oh no

No matter how could you do that to me  
You cannot fetch me, oh no  
No matter what you promised to me  
You cannot reach me

And like the wind, I'm changing my ways  
I'm not the one who stays on one place  
Oh you cannot reach me  
Oh you cannot reach me

And many times I fall in love  
I was crying and laughing  
When they broke my heart  
But now I've changed and I'm so cool  
If you wanna try, you'll see  
You'll see that I'm not that fool, oh no

So many times I said that I love you  
You cannot reach me  
So many times I stayed in your house  
You cannot reach me

'Cause I'm like the wind, I'm changing my ways  
I'm not the one who stays on one place  
Oh you cannot reach me, oh no  
Oh you cannot reach me

And many times I fall in love  
I was crying and laughing  
When they broke my heart yeah  
Now I'm changed and I'm so cool  
If you wanna try, you'll see  
You'll see that I'm not that fool, oh no  
I'm not that fool, oh no
