

Edyta Górniak, Invisible

How long, do I have to be this strong
Before you give yourself to me
And how far, do I have to reach in your heart
Before you bring me to my knees

I do believe, I want to be, held safely in your arms
Oh can't you see, a part of me, is in the way you are
But there must be something wrong
I've waited for far too long to let you go
Deep inside I know...

One day soon you're gonna knock on my door
I'll never stop hoping that there could be more
To this love
Can you see me falling?
I feel like I'm invisible
You never seem to find me wherever I am
Just listen, can you hear me calling you?
I'm callin' you

How deep, do I have to go to sleep
Before my shattered heart can dream
And how high, do I have to touch the sky
'Cause in your soul I need to fly

I do believe, I want to be, held safely in your arms
Oh can't you see, a part of me, is in the way you are
But there must be something wrong
I've waited for far too long
To let you go
Deep inside I know...

One day soon you're gonna knock on my door
I'll never stop hoping that there could be more
To this love
Can you see me falling?
I feel like I'm invisible
You never seem to find me wherever I am
Just listen, can you hear me calling you?
You... you... you...

Oh it's time you change your mind or your heart will be in love
I'll never stop hoping that there could be more
To this love
Can you see me fallin'?
I feel like I'm invisible
You never seem to find me wherever I am
Can you hear me calling you?
More to this love
Can you see me, I'm fallin'
You never seem to find me wherever I am
Can you hear me calling you?

I'm callin' you
Can you hear me?
