

Edyta Górniak, Lime (Tequila-ila)

Łoooo, łoooo
Nananna

Your
With the top down
Your love hit me up
I am on my way now
To the ocean
And the breeze
Baby, you and me
Sounds like ...

Red dress fallen on my
Sunset moven to the closer
We're dancing in the water
Don't wanna be over

I wanna be with you all the time
Make you mine
Babe, treat me right
O nana
Kissing in the night time
Baby, hold me tight
Tequila in the shadow lime
I am a shadow lime

Tequila-ila

I laid back in the highlands
There's no clouds nad shining
Got a stroke and my coconut blowing away
.. when i see your face

I wanna be with you all the time
Make you mine
Babe, treat me right
O nana
Kissing in the night time
Baby, hold me tight
Tequila in the shadow lime
Tequila in the shadow lime
Baby, hold me tight
Tequila in the shadow lime
Baby, hold me tight

Tequila-ila
I am, i ma
I am shadow lime
Tequila-ila
Tequila-ila
I am shadow lime
