

# Edyta Górniak, Love Is On The Line

I love the way you move me,  
But baby you move me too fast  
I dig it when you hold me,  
But I want to be sure it will last  
I smile when you are with me,  
Even when you pulled my hair  
So good I can't believe it,  
But I want you to understand

A lady needs a little space to contemplate,  
And it always seems to me  
That good things come to those who wait.

Love is on the line  
Time is on our side  
Want it to be right,  
Want it to be mine,  
Love is on the line.

You tell me what you're feeling,  
Keeping me up with the score,  
You give me all I need, I couldn't ask for more.

A lady needs a little space to contemplate,  
And it always seems to me  
That good things come to those who wait.

Love is on the line  
Time is on our side  
Want it to be right,  
Want it to be mine,  
Love is on the line.

You could be the one forever,  
I'd be happy ever more,  
But if we're to be together  
Baby, I got to be sure.

A lady needs a little space to contemplate,  
And it always seems to me  
That good things come to those who wait.

Love is on the line  
Time is on our side  
Want it to be right,  
Want it to be mine,  
Love is on the line
